BRIDGE REPAIRS ON NH ROUTE 101 IN AMHERST
DECK WORK ON BRIDGE OVER BOSTON POST ROAD AND BEAVER BROOK

The New Hampshire Department of Transportation announces bridge deck repairs are scheduled to begin Monday, August 18, 2003 in Amherst on the NH Route 101 bridge over Boston Post Road and Beaver Brook.

This bridge repair work is scheduled for 7:00 am to 3:30 pm daily and is expected to take four weeks to complete. Warning signs, barrels, cones, concrete barriers and flaggers will be used to guide motorists through the reduced speed limit work zone. Minor delays can be expected.

Vehicles carrying permitted wide loads should plan to detour onto NH Route 122, a two and a half mile detour.
